

Gippsland Waste and Resource Recovery Implementation Plan

The Gippsland Waste and Resource Recovery Group (Group) is the sixth of six non-metro waste groups in Victoria to release their draft Regional Waste and Resource Recovery Implementation Plan (draft plan).

The Group invites all stakeholders to provide feedback during public consultation commencing Friday 12 August and closing Friday 23 September 2016.

To view the draft plan, find out more about feedback opportunities, formal submissions and community consultation sessions go to www.rightcycle.com.au

Previous consultation

A series of information sessions were held across Gippsland in January and February 2016. The Group invited local government, business / industry and community to discuss waste management and resource recovery challenges and opportunities to inform the development of the regional implementation plan.
